BEGINNER CLASS

Tournament Info:

The beginners will have their tournament on **Tuesday, Nov. 27th** in the small gym at the Rec. Center.

Here is the schedule for that week: **Monday, Nov. 26th**, after practice, we will weigh the kids in and confirm their attendance so we can bracket the matches.

Tuesday, Nov. 27th, we will need some dads to volunteer to help move the mats into the gym at 5:00pm and then to help us roll the mats back up when we are done. Please have the kids there by 5:30pm to warm-up and stretch. While the kids are warming up, we need to have a parents meeting regarding volunteers for our big upcoming Open and Novice tournament. We planning on starting the matches at 6:00pm.

The Beginners class technically ends with the tournament on Tuesday, Nov. 27th. If your wrestler wants to continue on with the sport, they will need wrestling shoes, headgear, and singlet.

If your wrestler is going to wrestle in the Ark City tournament we will have club singlets to check out at practice during the first week of December. I will get with Susan Buckbee to arrange a time for checkout.

TOURNAMENT INFO and VOLUNTEERS NEEDED!!!

The BIG show is quickly approaching. We need your help to make this weekend a success. I will be using a Google docs for the tournament sign-up sheets and will send them out through email. For planning purposes, here are some dates and times we will need your help.

Wednesday, Dec. 5th: Need someone to pick up score clocks from Maize. They travel in an enclosed trailer.

Friday, Dec. 7th. 8am start set-up in WS Scott Aud. For OU/Wyoming Dual. Jennifer Collins is handling the concessions at the college on Friday for our club. She already has all the volunteers she needs but we will need several people to help with the door/gate/tickets,...etc. After the dual, approx. 9pm, we will go to the high school and set-up for our tournament.

SATURDAY & SUNDAY (Dec. 8th & Dec. 9th) we will need EVERYONE we can to help our tournament run smoothly. Please be available to help our club those two days. Table workers will be scoring the matches on a laptop through Track wrestling. It's pretty easy but you may need a practice match or two. We will need at least TWO workers for every table.
