ETIQUETTE AND EXPECTATIONS:

This is a list of items to either do or avoid.

1. **Practice:** Please don't make the coach have to compete for your kid's attention in practice. Parents can watch but need to remain quiet.
2. **Coaches:** We are always open for more volunteer coaches!!! If you're interested in coaching PLEASE see one of the coaches or secretary for more information.
3. **Get Involved:** We NEED parent and volunteers to help with our club. It is very important that during our tournament you help in some way.
4. **Skin Infections:** Keep an eye out for ring worm and impetigo they are contagious. If you see red spots develop on your wrestler have a coach or doctor look at it as soon as possible.
5. **Ark City** has a long and prestigious reputation as being one of the best wrestling programs in the state. Please know that you represent Ark City and your actions and words reflect the club.
